

WHITEPAPER LOBO COIN

www.lobocoin.tech

HELLO LOBO!! WELCOME.

DEVOUR THE MEDIOCRE. FORGE THE LEGENDARY.

This project seeks to create a powerful pack and a resilient cryptocurrency, capable of withstanding the ups and downs of the market, while devouring the competition.

LET'S START!

WWW.LOBOCOIN.TECH

MAIN OBJECTIVES:

01

COMPETITIVE EVOLUTION

It aims to devour and absorb other meme coins, consolidating itself as the main choice for investors and enthusiasts.

02

CONTINUOUS INNOVATION

Commitment to continuous development and introduction of innovative features to stay ahead of the competition.

03

REWARD FOR HOLDERS

Implementation of a generous reward program for holders, encouraging trade and evolution of crypto in the market.

WHAT DOES THE PROJECT GUARANTEE?

ANTI-SCAM

All tokens will be locked, liquidity locked for 100 years and ownership renounced contract.

DIRECT INJECTION INTO THE JUGULAR

It performs direct injections into the chart every fortnight to attract investors.

ANTI-BOT

Blocks robots that harm the project's liquidity, preventing only them from profiting from it.

WWW.LOBOCOIN.TECH

WHAT DOES THE PROJECT ALSO GUARANTEE?

BUY AND SELL

Fees for buying and selling will be relatively low. We will use a significant part for digital marketing.

AUDIT SEAL

Audit already carried out when creating the project, to generate credibility and security for investors, guaranteeing a possible listing.

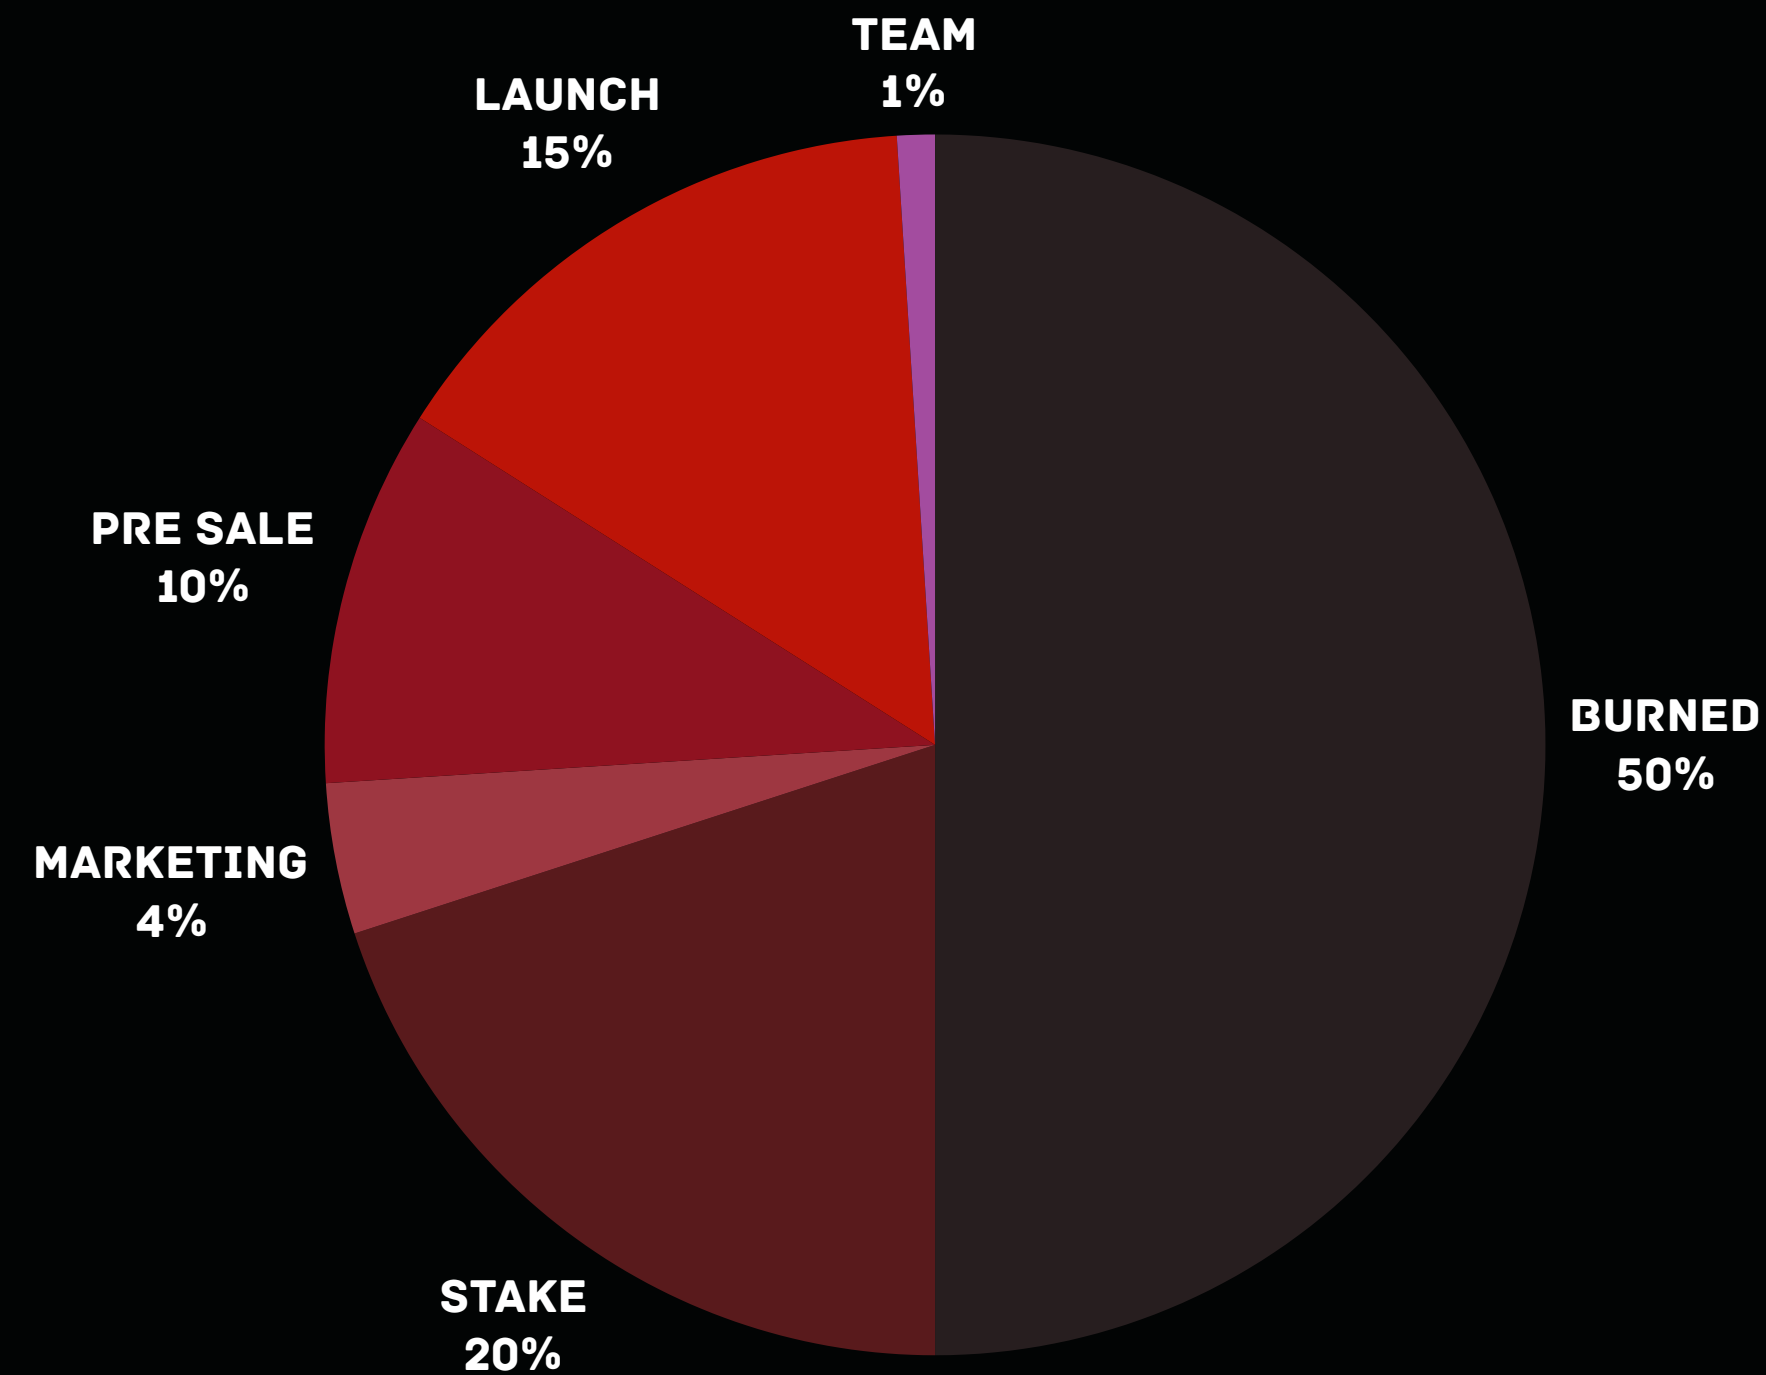

PASSIVE INCOME

The project provides a way to obtain passive income, being divided among the pack, coming from twenty percent of the total supply.

TOKENOMICS

BURN OF 50% OF SUPPLY

Fundamental process to balance and contribute to the scarcity of Lobo Coin in circulation, generating an increase in market price.

MARKETING 4% OF SUPPLY

Several strategies and approaches are available for the project to establish effective communication with the digital consumer, through online marketing. This involves implementing different tactics and methods that aim to engage and attract the target audience digitally.

TEAM 1% SUPPLY

Lobo Coin was created by a visionary team of founders passionate about the revolutionary potential of cryptocurrencies.

STAKE 20% OF SUPPLY

It offers the pack a way to put their Lobo Coins to work and earn passive income, without having to sell them.

PRE-SALE 10% OF SUPPLY

Practice in which the project's creators make Lobo Coins available to buyers, at a lower price, before they become available to the general public.

LAUNCH 15% SUPPLY

It is the moment most awaited by the entire pack: global public offering. In this offer, the price skyrockets, as the remaining supply becomes available for select new members to join the pack.
